

Student Permission
Lawrence Livermore National Laboratory

I _____, as the parent/guardian of _____, approve my child's participation in the Science Fair 101 two-day program at the Lawrence Livermore National Laboratory (LLNL) in the Edward Teller Education Center (ETEC) on October 25, 2008 and at Dublin High School on November 15, 2008. I understand that during this program students, under the supervision of licensed teachers employed by LLNL, may participate in hands-on experiments commonly performed in a high school science classroom. These experiments may include the use of Isopropyl alcohol, Nutrient Agar Dehydrated Media, Gram Stain Kit, Immersion Oil, and E. coli Freeze-dried Culture.

I understand that my child will be unable to attend this event if this permission form is not completed in its entirety, without exceptions, and initialed, signed, and submitted as required.
(Initial) ____

I give permission to the LLNL to photograph and/or videotape the event, and understand that my child may be interviewed. Photographs and/or recordings will be used by the LLNL on an unrestricted basis for educational and promotional purposes. Outside news media may attend the event, take pictures, and conduct student interviews.
(Initial) ____

► **Dress**

For safety reasons, students should wear closed-toe, closed-back, low-heeled shoes, such as tennis shoes or loafers. Sandals and/or high heels should not be worn.

(Initial) ____

► **Hold Harmless**

I agree to hold harmless Lawrence Livermore National Security, LLC (LLNS) and the U.S. Department of Energy/National Nuclear Security Administration, their employees, agents and contractors against any liability and any claims resulting from my child's participation in this event at the Laboratory.
(Initial) ____
